

IWRA's XVII WORLD WATER CONGRESS

제 17차 IWRA 세계물총회

Guidelines for the live-streamed

Access through **the XVII Congress Website** (www.worldwatercongress.com).

The image shows the homepage of the XVII World Water Congress website. At the top left is the logo for the XVII World Water Congress, International Water Resources Association (IWRA), with a 'D-2' badge. To the right are navigation links for 'PROCEEDINGS', 'MY PAGE', and 'LOGOUT', along with a 'KOREAN' language selector and social media icons for APP, Facebook, Twitter, and Instagram. A '50 IWRA' anniversary logo is also present. Below the navigation is a menu with links for 'IWRA's XVII World Water Congress', 'Programme', 'Participation', 'Exhibition and Sponsorship', 'Travel Information', 'COVID-19 Travel Advice', and 'Venue'. A prominent red-bordered button labeled 'Access to Live Streaming' is highlighted, with a white callout box containing the text 'Click here for the access' and an arrow pointing to the button. Below the button is a light blue banner with the quote: "The World's Largest Congress Linking Water Researchers and Policy Practitioners". The main content area features a large background image of a scenic landscape with a stone bridge over a river, trees, and a tall tower in the distance. The text on the page includes 'XVII World Water Congress International Water Resources Association (IWRA)', the theme 'Foundations for Global Water Security and Resilience: Knowledge, Technology and Policy', and the dates '29 November - 3 December 2021' and location 'EXCO, Daegu, Republic of Korea'. A small text 'Jang mot, Daegu' is visible in the bottom left corner of the image.
