IWRA Early Career & Young Professionals (ECYP) Task Force

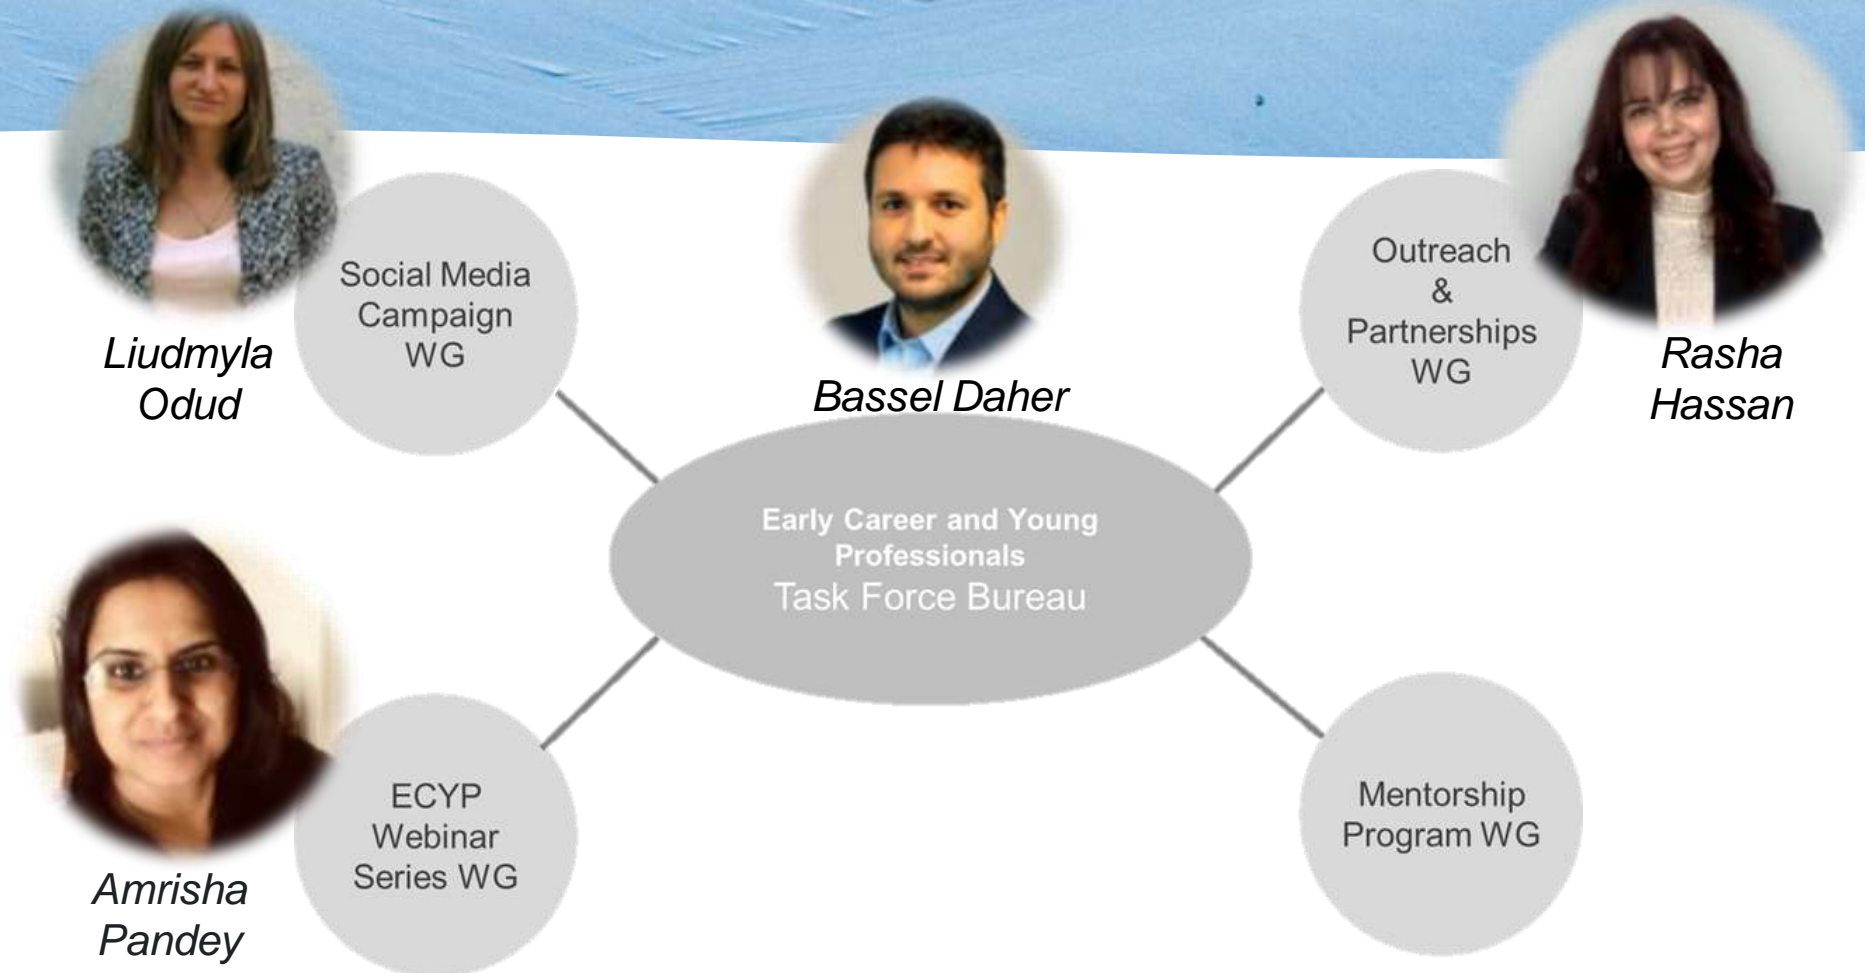

**Bassel Daher
Chair, ECYP Task Force**

Task Force Overarching Objectives

1. **Better understand** the needs and interests of Early Career and Young Professionals (ECYP)
2. **Target and engage** ECYP members in activities through multiple media forms
3. **Provide opportunities** for growth, learning and networking
4. **Create a stronger ECYP voice** through cross-cutting relationships with other international organizations
5. **Increase membership and engagement** of ECYPs in overall IWRA activities

Task Force structure

Social Media Campaign

- *Why Water? video series*
- *Polls & Quizzes*
- *Real time tweets/posts*

Water quiz!

IWRA TASK FORCES

TASK FORCES

IWRA task forces are conformed of **selected IWRA members**, which are experts and have considerable experience on water management topics. Panellists are supported by both **IWRA Executive Office** and its **Board**. They have the opportunity to proactively interact with other IWRA members who share common interests, as well as to contribute to international projects and initiatives that might otherwise would be inaccessible for individual members.
